

# BISHOP'S SOCIETY

The [Bishop's Society](#) is open to anyone who has named any Episcopal Church, ministry or program in their estate plans. The [Society](#) is one of the major ways we spread the ministry of planned giving to other church members. Please join us by simply completing the form below and return it to the Planned Giving Office. Members receive a token of the Bishop's appreciation for making this important gift to further the mission and ministry of our Church. We hold one event hosted by the Bishop each year. You can also join by simply emailing us to let us know you qualify, contact us at [canonsmith@edsd.org](mailto:canonsmith@edsd.org).
